Wow, summer is nearly over and fall is upon us. It has been a year since I landed in the State Director chair and hopefully we have made positive strides forward for ABATE. We are looking at our past, remembering the who, what and where, while looking forward to the future and deciding what path we should venture down next.

Always remember, ABATE is all about our members! We are nothing without our membership. I have made it out to a few chapter meetings and events and I am still planning on more. We need to hear from YOU! What do you want ABATE to be doing?

As always, we are out there tracking, supporting good legislation, and trying to defeat bad legislation. This is who we are, a grassroots motorcycle rights organization. Not only do we work hard from January through April in the Maryland General assembly, but we stay in constant contact with our senators and delegates throughout the year.

We are also trying to re-brand ourselves. A little over a year ago, we upgraded a few banners and flags for the products tent. We have replaced table coverings, and have created some updated ABATE literature. In October, we got the ABATE trailer a face lift. We have printed new membership tri-folds and are actively seeking corporate sponsors to help keep things moving upward. We printed a new state t-shirt last year and are ready for another round very soon. Make sure you get your ABATE shirts and BE ABATE! Wear them to events and meetings. It could be a conversation starter that gets that potential new member interested or helps convince someone to renew.

So, ride, attend events, get your ABATE gear and BE ABATE! See you out there somewhere!

ABATE OF MARYLAND, INC.

Dedicated to Freedom of the Road & Responsible Motorcycle Legislation

What is ABATE of Maryland, Inc.?

ABATE of Maryland, Inc. is the only organization in Maryland exclusively engaged in representing the rights of Maryland motorcyclists, and we have been doing so since 1974. Our members have joined together to advocate training as the foremost means of reducing accidents and injury, to put an end to discriminatory legislation, to communicate clearly, to explore ways to improve the overall motorcycling experience in Maryland, and to provide for and assure the continuing freedom and affordability of motorcycling.

What Does ABATE stand for?

A Brotherhood **A**gainst **T**otalitarian **E**nactments

What Does ABATE Do?

ABATE of Maryland, Inc. formulates plans and strategies for developing and introducing motorcycle legislation which strengthens our rights as riders. We lobby in Annapolis every Monday nights when the House and Senate are in session, and also attend special meetings and special sessions when necessary.

Although we are sometimes referred to as “those anti-helmet guys,” we are absolutely not “anti-helmet”. We feel very strongly that helmet use alone is insufficient to ensure a motorcyclist’s safety. The American Motorcyclist Association and the Motorcycle Riders Foundation both agree, along with state motorcycle rights organizations across the country, that there is a broad range of other measures that can be implemented to improve the skill of motorcycle operators, as well as reduce the frequency of situations where other vehicle operators are the cause of crashes that involve motorcycles. Our position at ABATE is that motorcyclists’ that are at least 21 years of age, have been licensed for at least 2 years, have completed a motorcycle safety course, or are passengers on a motorcycle operated by a driver who has been licensed for at least 2 years, or has completed a motorcycle safety course, should be given the **FREEDOM of CHOICE**, whether or not to wear a helmet. We do not tell anyone that they should not wear a helmet, our goal is that motorcyclists be given the option to decide for themselves.

How Do I Join?

Signup at one of our events at the ABATE table, attend a meeting at one of our many chapters throughout the state, or go to our website using the QR code to the right. Or you can always call our State Office telephone number (410-263-9185) or email us at info@abateofmd.org for additional information.

Legislative Tidbits
7 Years ago (2016)

AUTOCYCLES: SB 774 (2016)
ABATE worked with the bill sponsors to find acceptable language to all concerned. Statistically, ABATE wanted to make sure that AutoCycles had their own classification.

MOTORCYCLE PROFILING (SB 233-2016): The COC and ABATE worked together to avoid profiling of individuals based upon what they ride, wear, etc.

CHILD PASSENGER RESTRICTION (SB 164-2016): ABATE lobbied strongly against this bill as it would have made it illegal for a child under the age of 10 to ride on a motorcycle in Maryland.

**Maryland Motorcycle Riders PAC (MMR-PAC)
pools money to support those candidates whose
views align with those of the MMR-PAC and its
sponsoring organization.**

DONATE TODAY!

Maryland Motorcycle Riders PAC (MMR-PAC)

What is PAC? Well, the MMR-PAC is the Maryland Motorcycle Riders Political Action Committee. PAC helps by supporting state legislators that support our legislative goals. PAC has been successful in the past in opening new doors and strengthening our relationships. By supporting PAC, you become an active participant in the political process. PAC helps our voice to be heard in the halls of the Maryland General Assembly.

MMR-PAC NEEDS YOU! The political fundraisers are starting up and we need to send ABATE members to them! We cannot do that without donations!

These fundraisers cost money and ALL funds raised by MMR-PAC go towards fundraisers for political campaigns.

To make a donation to MMR-PAC, please make a check (no cash donations please) payable to “**MMR-PAC**” and send it directly to:

Jay Block – MMR-PAC Treasurer
Law Office of Jay Irwin Block, LLC
10451 Mill Run Cir – Suite 400
Owings Mills, MD 21117
Phone (410) 356-6555, (410) 363-0770
Fax (410) 356-1439
Email jblock@jayirwinblock.com

It is political fundraiser time! ABATE needs to be going to many of these! Your contributions to MMR-PAC allows us to attend these events. If you see a local fundraiser, let us know & we will see what we can do to get some people there. Our funds are always stretched thin so talk to the people running the fundraiser, offer to help with parking, serving food & drinks, cleaning up, etc. This may get you in for free or a reduced cost.
